Edit **Chats**

Salma AL Malki
Hey! I can teach you basic piano chords today—do you have a keyboard? 9

Khalid Al Harithi
We can start with a simple training plan. Want me to break it down step by step?

Malak Al Salmi
It's okay to start slow 🙂 Want me to help you understand the basics first? 2

Mansoor Al Zidi
I can teach you Excel basics—formulas, charts, everything you need to get started.

Moza Al Azizi
I'll show you how to create a clean logo in Canva—super easy, no experience needed.

Salman Al Shamsi
Let's meet later and I'll teach you some football drills you can practice daily.

Aisha Al Saadi
I can walk you through how to create a Data Flow Diagram step by step—want to start with a simple example?

Naser Al Ahlat
I can guide you on how to design wireframes and user flows for your app.
